Clinical Supervision Agreement

This document explains the details of our supervisory relationship. Please read it closely and be sure to ask me if you have questions or need further clarification.

The Purpose of Supervision is:

- Earn licensure as a North Carolina Licensed Professional Counselor
- Earn credential as a Registered Play Therapist
- Complete supervision hours as required by a graduate school internship/practicum
- Receive post-licensure supervision to build counseling skills or learn new counseling methods (e.g., learn specific play therapy methods)

Type:

- Face-to-face individual supervision Face-to-face group supervision

Frequency & Time (weekly, bi-weekly, or monthly):

Place of Supervision:

5613 Duraleigh Road #161, Raleigh, NC 27612

Approximate Period/Duration:

Methods of Supervision:

- Supervisee will rotate between bringing case notes and a video recording of a client session. OR:
-

Record of Supervision:

Supervisor will keep a log of all supervision hours, along with a supervision session note which the supervisee will initial after each meeting. All information will be kept in a confidential file under lock and key.

Needs Assessment & Goals of Supervision include:

Through use of Hall-Marley's Therapist Evaluation Checklist the following needs have been assessed and goals are agreed upon during the supervisory period:

Supervision Fees:

___ \$100.00 per hour for individual

___ \$75.00 per hour for small group (2-3 supervisees)

Other: _____

Notes/ Other:

Please be sure to read **Professional Disclosure Statement for Clinical Supervision** which explains my credentials and further details the process of supervision.

Our signatures acknowledge an understanding and acceptance of this agreement.
